

# Cristian Jay Cosep

## Software Developer

I am a Computer Science student and aspiring software developer, versatile in both frontend and backend technologies. A quick learner and jack of all trades, I thrive in dynamic environments and adapt rapidly to new challenges.

## Experience

### Chief Operating Officer (COO)

2024 - 2025

- Managed and streamlined internal operations across departments, ensuring seamless coordination for community projects and organization-wide events.
- Initiated and led the UMSDC General Assembly, successfully bringing together student developers from the University of Mindanao to strengthen campus tech culture.
- Built and maintained the organization's Discord community, implementing key improvements to boost engagement, communication, and member retention.

### Graphic Designer

2024 - 2025

- Created eye-catching promotional materials, event posters, and digital pubmats that aligned with UMSDC's branding and messaging goals.
- Worked closely with the marketing and events teams to deliver creative assets for major campaigns, including hackathons and workshops.

### UI/UX Designer & Frontend Developer

2024 - 2025

- Designed and developed the official UMSDC website, handling everything from Figma wireframes to live deployment using React and Tailwind CSS.
