Cristian Jay Cosep

Software Developer

I am a Computer Science student and aspiring software developer, versatile in both frontend and backend technologies. A quick learner and jack of all trades, I thrive in dynamic environments and adapt rapidly to new challenges.

Experience

UMSDC

Chief Operating Officer (COO)
2024 – 2025

Led community operations, events and partnerships while driving collaboration and innovation among tech student leaders.
Graphic Designer
2024 – 2025

Designed cohesive promotional materials and pubmats aligned with UMSDC's branding.
UI/UX Designer & Frontend Developer
2024

Designed UI and wireframes in Figma, and developed the official UMSDC website using React and Tailwind CSS.
